To whom it may concern

After nearly 6 years utilising another cleaning company, we have engaged and entrusted Goldway Cleaning Services for the past 10 months with the cleaning services of our office. The professionalism, initially with their inspection and very competitive quotation for the cleaning tender and then the quality of work of Adrian and his skilled team has exceeded our expectations and their attention to detail, approach and reliability is second to none.

We have no hesitation in recommending Goldway Cleaning Services as a reliable, trustworthy cleaning company that provides excellent customer service.

Kind regards,

HARROLD & KITE PTY LTD
